Owner and each future Unit Owner, hereby expressly empower, authorize and delegate to the Association, acting through the Board of Directors, on behalf of all Unit Owners and all persons claiming by, through or under each Unit Owner, to make, execute and deliver a grant or conveyance of easements, licenses or rights-of-ways in, on, under, across or over the Regime Property and common elements for the purpose of providing utilities, services and ingress/egress and for the purpose of allowing a Unit Owner to screen in a portion of a rear deck appurtenant to that Unit Owner's Unit, all under such conditions as determined by the Board of Directors of the Association from time to time in its discretion. Provided, the Board of the Association may not grant, authorize or empower any Unit Owner to build any new deck or stairways or enlarge any existing deck or stairways.

(d) Each Current Unit Owner and each future Unit Owner of any Unit (by virtue of ownership of a Unit or by acceptance of a deed therefor whether or not it shall be so expressed in such deed) and all persons claiming by, through or under each Current Unit Owner and each future Unit Owner, hereby covenants and agrees that the Association shall and does hereby indemnify, defend and hold harmless any person (the "Indemnified Party") who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, against losses, damages, claims or expenses actually and reasonably incurred by it for which such Indemnified Party has not otherwise been reimbursed (including reasonable attorneys' fees, judgments, fines and amounts paid in settlement) in connection with such action, suit or proceeding, by reason of any acts, omissions or alleged acts or omissions arising out of the Indemnified Party's activities as a Director on the Board of Directors of the Association or as an officer, employee, agent or designee of the Association on behalf of the Association or in furtherance of the interests of the Association, so long as the Indemnified Party did not act in a manner constituting willful misconduct.

Section 5.02: Membership. Every Unit Owner of a Unit, if the Unit is subject to and liable for the payment of assessments levied by the Association, shall be a member of the Association. Membership shall be appurtenant to and not be separated from ownership of any Unit. The Unit Owner of each Unit shall be entitled to one vote for

—

each Unit owned. When more than one person holds an interest in any Unit, all such persons shall individually be Members but shall collectively have one vote only with respect to each Unit owned by such persons.

Section 5.03: Covenant for Payment of Operating, Maintenance and Repair Assessments, charges and expenses. Each Unit Owner of a Unit is bound to pay and contribute pro rata in accordance with the Unit Share Percentage set forth for each Unit in Section 4.09 of this instrument toward the cost, fees, charges and expenses of operation, administration, maintenance, governance, regulation and repair of the Regime, its limited and general Common Elements, the Association and toward other expenses, costs, fees and charges agreed upon by the Association acting by and through its Board of Directors. Accordingly, each Current Unit Owner of any Unit covenants and agrees and each future Unit Owner by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, and all persons claiming by, through or under each Current Unit Owner and each future Unit Owner are deemed to covenant and agree and do covenant and agree, jointly and severally with all other Unit Owners, to pay to the Association such assessments, expenses, charges, fees and costs, annual and special and capital, together with interest, costs and reasonable attorneys fees, as shall be incurred by the Regime or the Association in connection with the performance of the Association's duties and obligations or as shall be levied, charged and billed to the Unit Owners by the Association from time to time in accordance with the terms and provisions hereof and the Amended By-Laws. The expenses for which the Unit Owners are responsible for and shall pay include, but are by no means limited to: (i) insurance procured by the Association, (ii) rentals due and payable under any Lease entered into by the Regime, (iii) common element utility, cleaning, maintenance, repair, replacement, redesign, construction and other expenses, (iv) any expenses, costs, fees or charges incurred in connection with, or arising out of, the operation, maintenance and repair of any sewer treatment facilities and systems, swimming pools, tennis courts, streets, roads, parking lots, water systems, trash removal and any other similar charges or expenses, (v) professional expenses for management, legal, accounting, engineering, design, surveying or otherwise, (vi) employee expenses, (vii) security, (viii) errors, omission and officer and director liability insurance expense, (ix) assessment collection and enforcement expense, (x) all taxes payable by the Regime or the Association, (xi) indemnification payments for

—

any liabilities, legal fees, costs or other sums payable to or on behalf of any Indemnified Party as herein prescribed, including the officers, employees, agents and directors of the Association pursuant to the Articles of Incorporation, Bylaws or otherwise, and (xii) all such other expenses deemed expedient or desirable by the Board of Directors of the Association. Any such assessments, expenses, charges, fees and costs, annual and special, together with interest, costs and reasonable attorneys fees not paid by a Unit Owner when due as declared by the Board of Directors of the Association from time to time, shall constitute a lien on the Unit owned by such delinquent Unit Owner until paid. Such lien shall be prior to all other liens excepting only the assessments, liens and charges resulting from nonpayment of past due and payable state and local ad valorem taxes and the lien of a first mortgage.

Section 5.04: Effect of Nonpayment of Association Assessments and Remedies. Any assessment for expenses, charges and fees not paid by the Unit Owner within 30 days after the due date thereof as established and fixed by the Board of Directors of the Association from time to time shall bear interest from the due date at the maximum rate allowed by applicable law and the same shall constitute a lien on the Unit owned by such delinquent Unit Owner until paid, which lien shall be prior to all other liens excepting only the assessments, liens and charges resulting from nonpayment of past due and payable state and local ad valorem taxes and the lien of a first mortgage. The Association may, upon such default, bring an action at law against the Unit Owner or Owners personally obligated to pay the same, or foreclose the lien of the assessment against the Unit or both and in either action, the Unit Owner agrees to pay the reasonable attorney's fees incurred by the Association in the enforcement hereof. A delinquent Unit Owner may not waive or otherwise escape liability for the assessments herein provided by non-use of the common elements or abandonment of the Unit. Furthermore each Unit Owner covenants and agrees that should a Unit Owner fail to pay in full and prior to delinquency thereof any assessment, charge or expense levied, billed or assessed by the Association to a Unit Owner of the Regime, then the Association, acting by and through the Board of Directors, may in the Board's discretion discontinue, disconnect and withhold any services or facilities performed or provided by the Association to the delinquent Unit Owner and to any person claiming by, through or under said Unit Owner and to the Unit owned by that Unit Owner, including but not limited to, water and sewer

Section 5.05: Unit Owner's Deed, Address, Key and Mortgagee. Each Current Unit Owner and each future Unit Owner of any Unit (by virtue of ownership of a Unit or by acceptance of a deed therefor whether or not it shall be so expressed in such deed) and all persons claiming by, through or under each Current Unit Owner and each Unit Owner, hereby covenants and agrees that each Unit Owner shall within thirty (30) days of acquiring title to a Unit or within 30 days of a request therefore by the Association provide to the Association at its offices, as designated from time to time, the following: (i) a clear and readable copy of the deed under which the Unit Owner acquired and holds title to a Unit, (ii) a current street address and phone number whereby the Unit Owner will receive all notices, (iii) a key or keys to the Unit and all parts thereof and (iv) within thirty (30) calendar days of granting a mortgage encumbering a Unit, the name and address of any such mortgagee having or claiming a mortgage lien on a Unit.

Each Current Unit Owner and each future Unit Owner of any Unit (by virtue of ownership of a Unit or by acceptance of a deed therefor whether or not it shall be so expressed in such deed) and all persons claiming by, through or under each Current Unit Owner and each future Unit Owner, hereby covenants and agrees that, subject to the provisions hereof, every Unit Owner shall have, for such Unit Owner's own use, the use of such Unit Owner's employees and guests, a non-exclusive easement of access, ingress, egress, use and enjoyment of, over, in and to the common elements, and such easements shall be appurtenant to and shall pass with title to every Unit in the Regime. The rights and easements of use and enjoyment of the Common Elements created hereby shall be subject to the following restrictions:

- (a) The right of the Board of Directors of the Association to suspend the use of the easements for use and enjoyment of any facilities located on the common elements, for any period during which the payment of any assessment remains delinquent;

Provided, the Board of the Association may not grant, authorize or empower any Unit Owner to build any new deck or enlarge any existing deck;

(c) The right of the Association, acting through the Board of Directors, to reasonably limit the number of guests, employees, patrons and invitees of Unit Owners using the common elements; and

Provided, further, no amendment, modification or change seeking to modify the system of administration of the Regime from administration by and through the Association to some other form of administration shall be effective except by a written instrument signed and acknowledged by Unit Owners owning Units representing at least two-thirds of the Total Basic Value of the Regime as established in Section 4.09 hereof..

The failure of any Unit Owner or the Association, acting by majority vote of its Board of Directors, to enforce any of the covenants, agreements, provisions, terms and restrictions contained herein or the Amended By-Laws at the time of its violation, shall, in no event, be deemed to be a waiver of the right to do so thereafter. Furthermore each Unit Owner covenants and agrees with all other Unit Owners and the Association that should a Unit Owner fail to comply with the terms and provisions hereof or fail to comply with any Rules or Regulations adopted by the Association from time to time or fail to comply with the Amended By-Laws in effect from time to time, then the Association, acting by and through the Board of Directors, may in the Board's discretion discontinue, disconnect and withhold any services or facilities performed or provided by the Association to that Unit Owner and to any persons claiming by, through or under said Unit Owner and to the Unit owned by that Unit Owner, including but not limited to, water and sewer services, and any such services or facilities so discontinued, disconnected or withheld may be reestablished, re-connected and extended back to the said Unit Owner or any person claim by, through or under the said Unit Owner and to the Unit only upon such terms and conditions as may be established and set by the Board of Directors of the Association from time to time.
